Avantage Reply and Xuccess Reply announce a Global Partnership with PRMIA for 2016 and onwards. This as a result of having sponsored a variety of events at local chapters of PRMIA across several countries over a number of years.

PRMIA, the Professional Risk Managers' International Association, is represented globally by 45 chapters in major cities around the world, and led by Regional Directors appointed by PRMIA's Board. Established in 2002 by a volunteer group of risk industry professionals, the PRMIA mission is to provide an open forum for the development and promotion of the risk profession.
