#### **Job description**

As part of the strong growth of our activities and the development of the Paris division, we wish to strengthen our teams with Consultants to support our customers on recent regulatory reporting requirements. In particular, we are looking for MOA/AMOA Regulatory Risks Reporting Consultants to contribute to the below activities :

- Preparation of preliminary studies : feasibility, opportunity, ROI, framing
- Collection of users' needs through workshops with the department
- Drafting of functional specifications
- Development of the functional program and strategy
- Drafting of user guides, and user-related procedures
- Functional support for users and IT teams
- Participation in meetings organization, expenses estimation, project management and contributor coordination.

#### **Required Skills :**

- Bac +5 curriculum (engineering school, business school, IEP, or postgraduate degree specialized in Finance and/or Risk management)
- 3 years of experience in the banking sector / risk reporting area.
- Good proficiency in English

Ideally, you will have knowledge / professional exposure to some of the below topics:

- Credit, counterparty, financial risks

- Regulatory reporting (COREP, FINREP, SURFI, ...)
- Basel recommendations (BCBS 239, CRD IV, ...)
- IFRS9 international financial reporting standards
- Collection, management, analysis, consolidation and restitution of data commitments
- Risk/Finance, Liquidity data models

## **What does Avantage Reply offer you?**

We offer you the opportunity to join a European consulting firm focused on expertise in financial services, regulation and functions such as Risk, Finance and ALM. Especially with our presence in the largest European cities, we offer you a dynamic and stimulating working environment on quality issues, both with our clients and with our colleagues. If you wish, you will be able to carry out specific missions in our foreign offices. In addition, we offer many opportunities for personal development, contributions to our research, and ongoing specialized training. Avantage Reply offers you an attractive and competitive salary package.
