

# Journey to Cloud

## Cloud Adoption Framework

AZURE

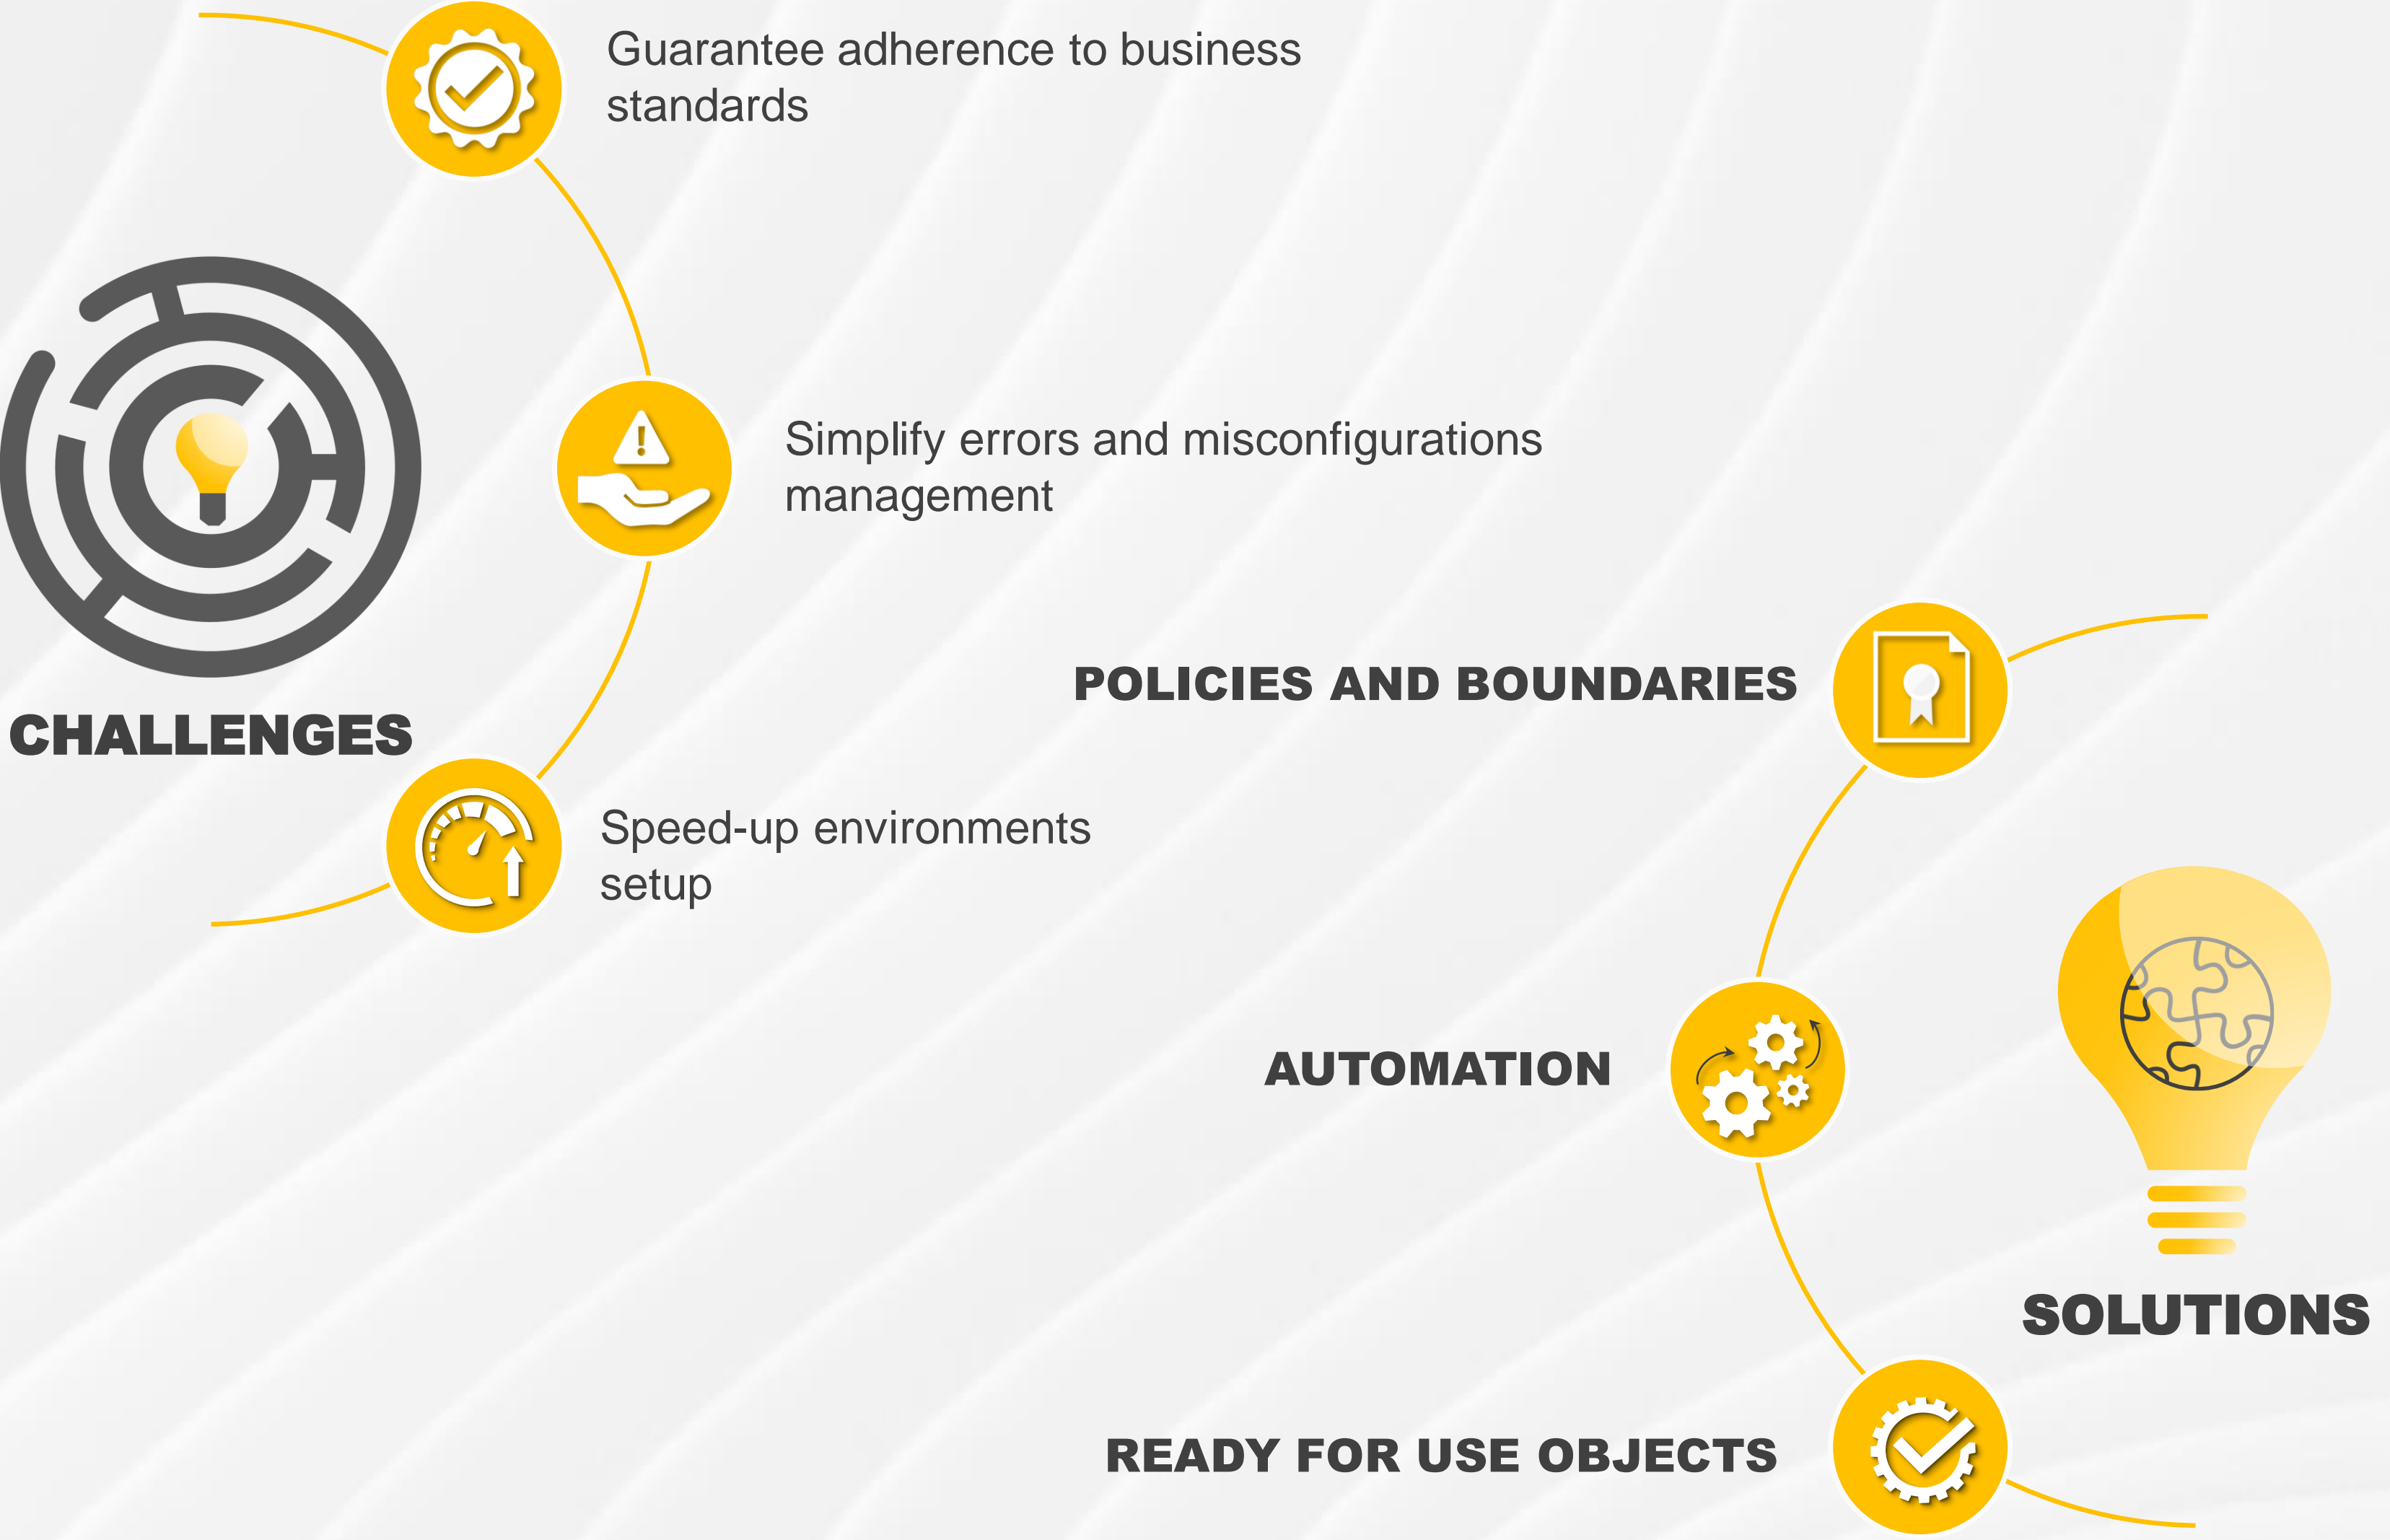

AZURE DEVOPS

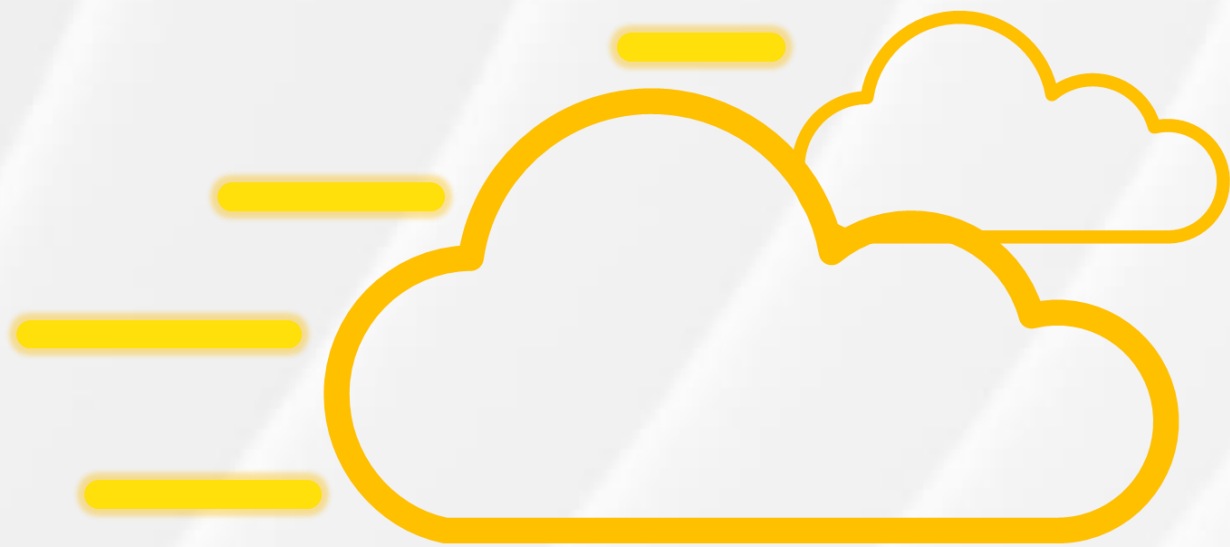

# CLOUD ADOPTION

## Challenges & Solutions

# BUSINESS GOALS

## Cloud Adoption and Digital Innovation

### CLLOUD ADOPTION

**Design** a roadmap to cloud adoption. Architect a governance framework for cloud management processes.

### DIGITAL INNOVATION

**Innovate** cloud workloads' design and release processes. Provide tools and practices for adopting cutting-edge solutions.

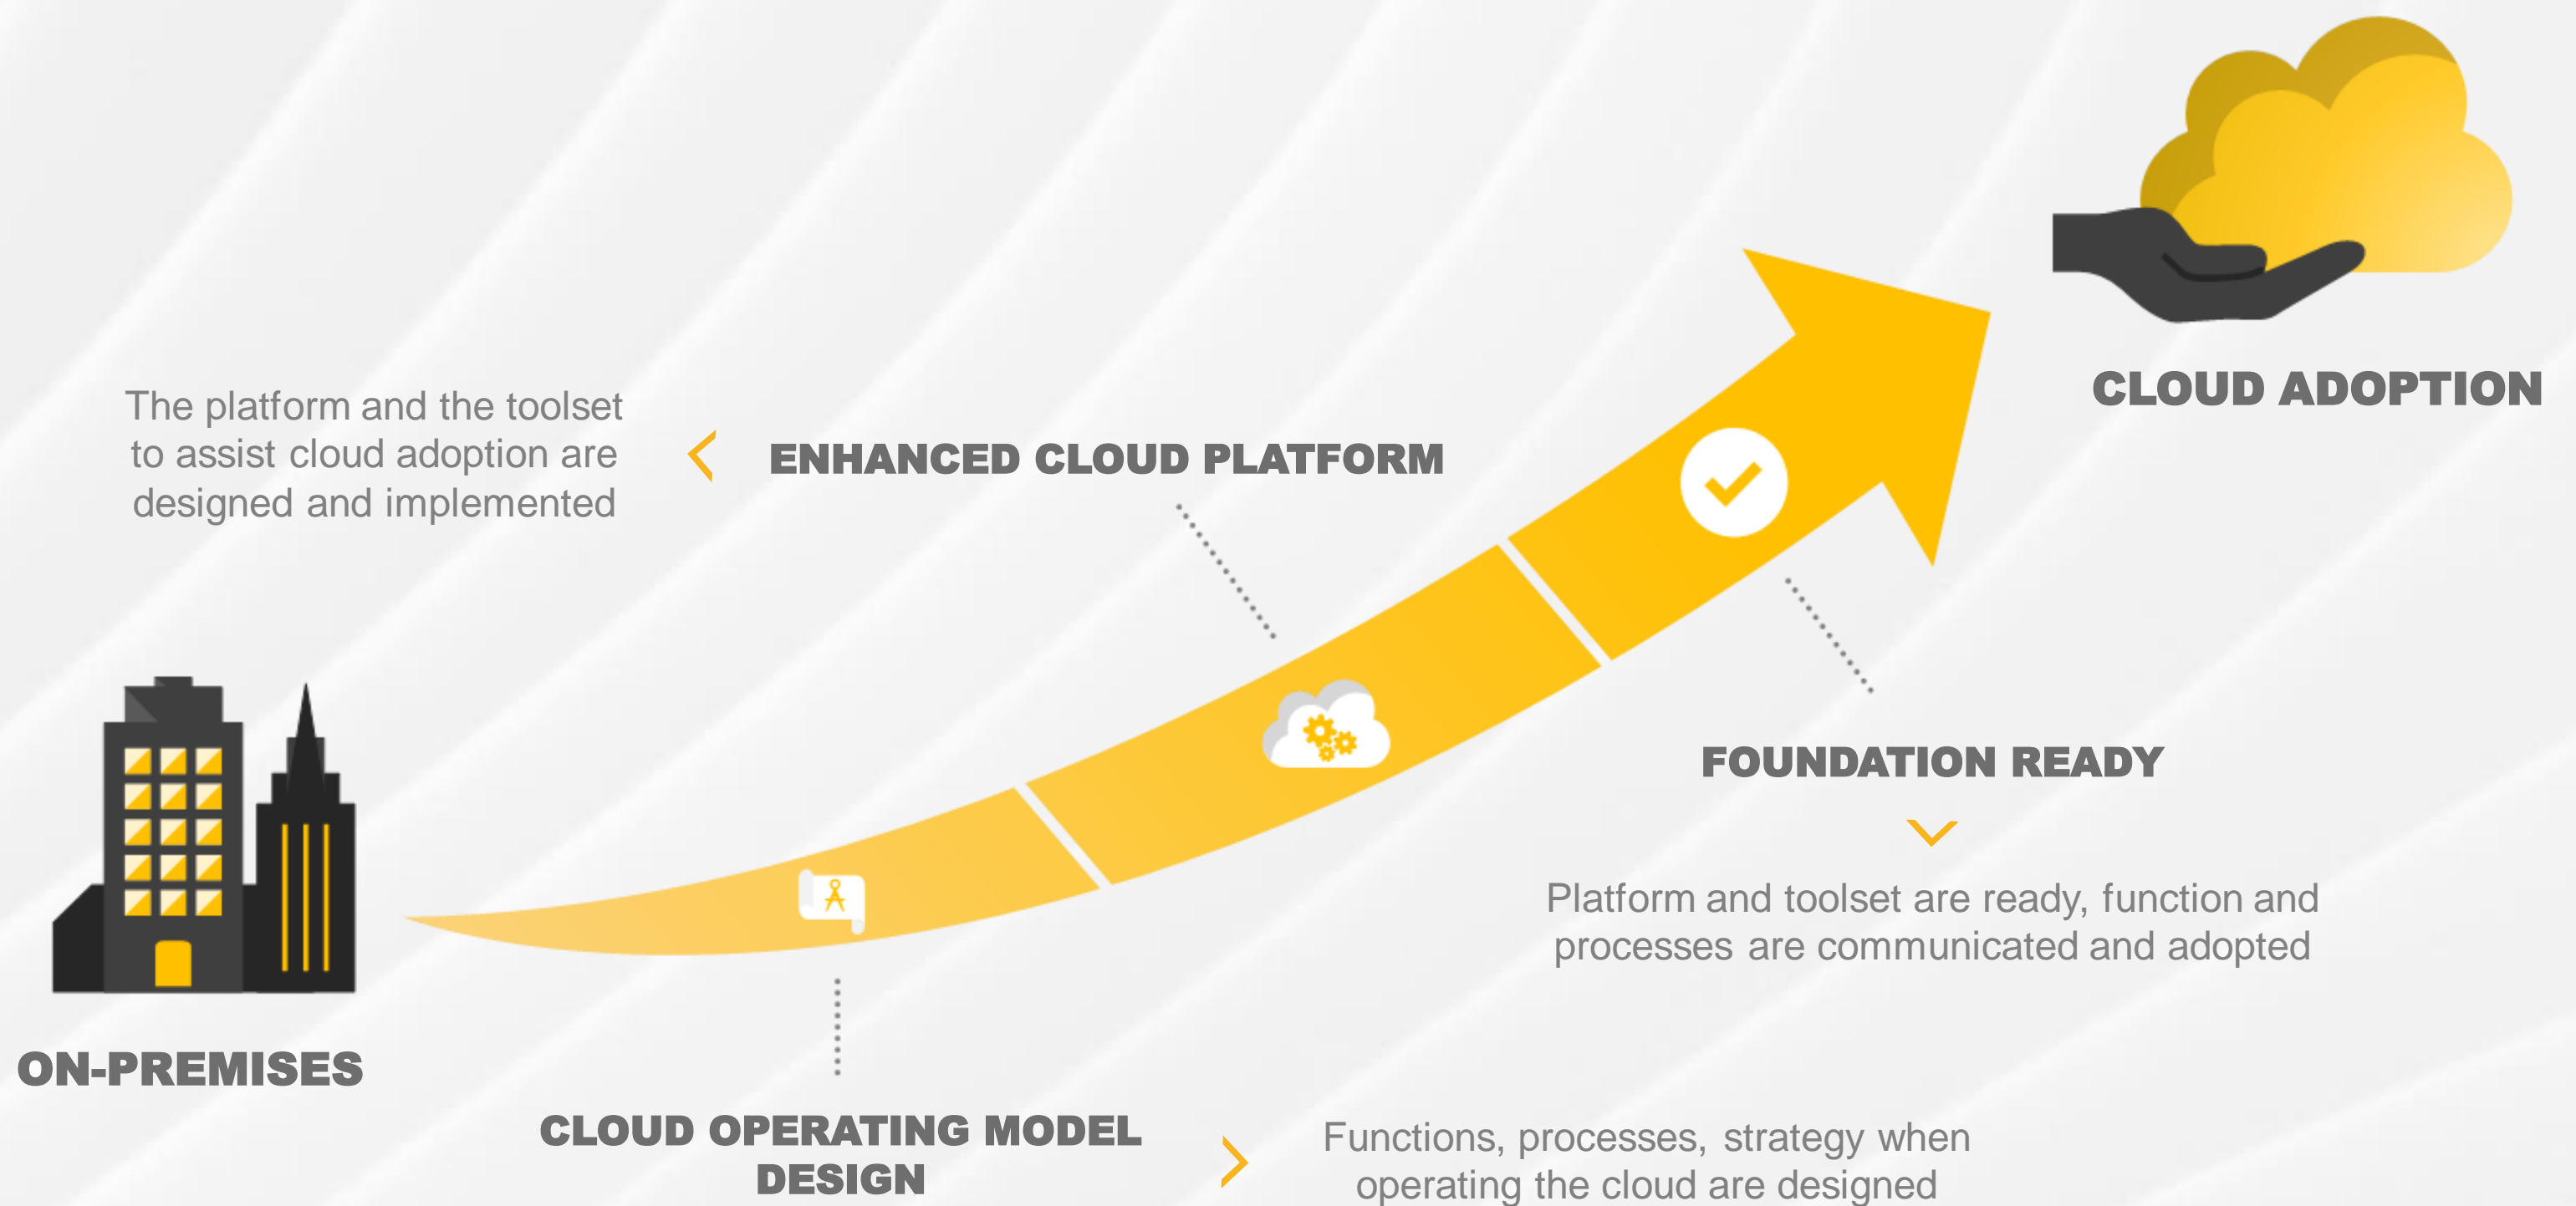

### TARGET

Ensure compliance of cloud workloads to organization requirements.  
Provide robust and versatile processes to guarantee adaptability to ever evolving demands in cloud environments.  
Speed-up onboarding and release processes with automation.

# INNOVATION ROADMAP

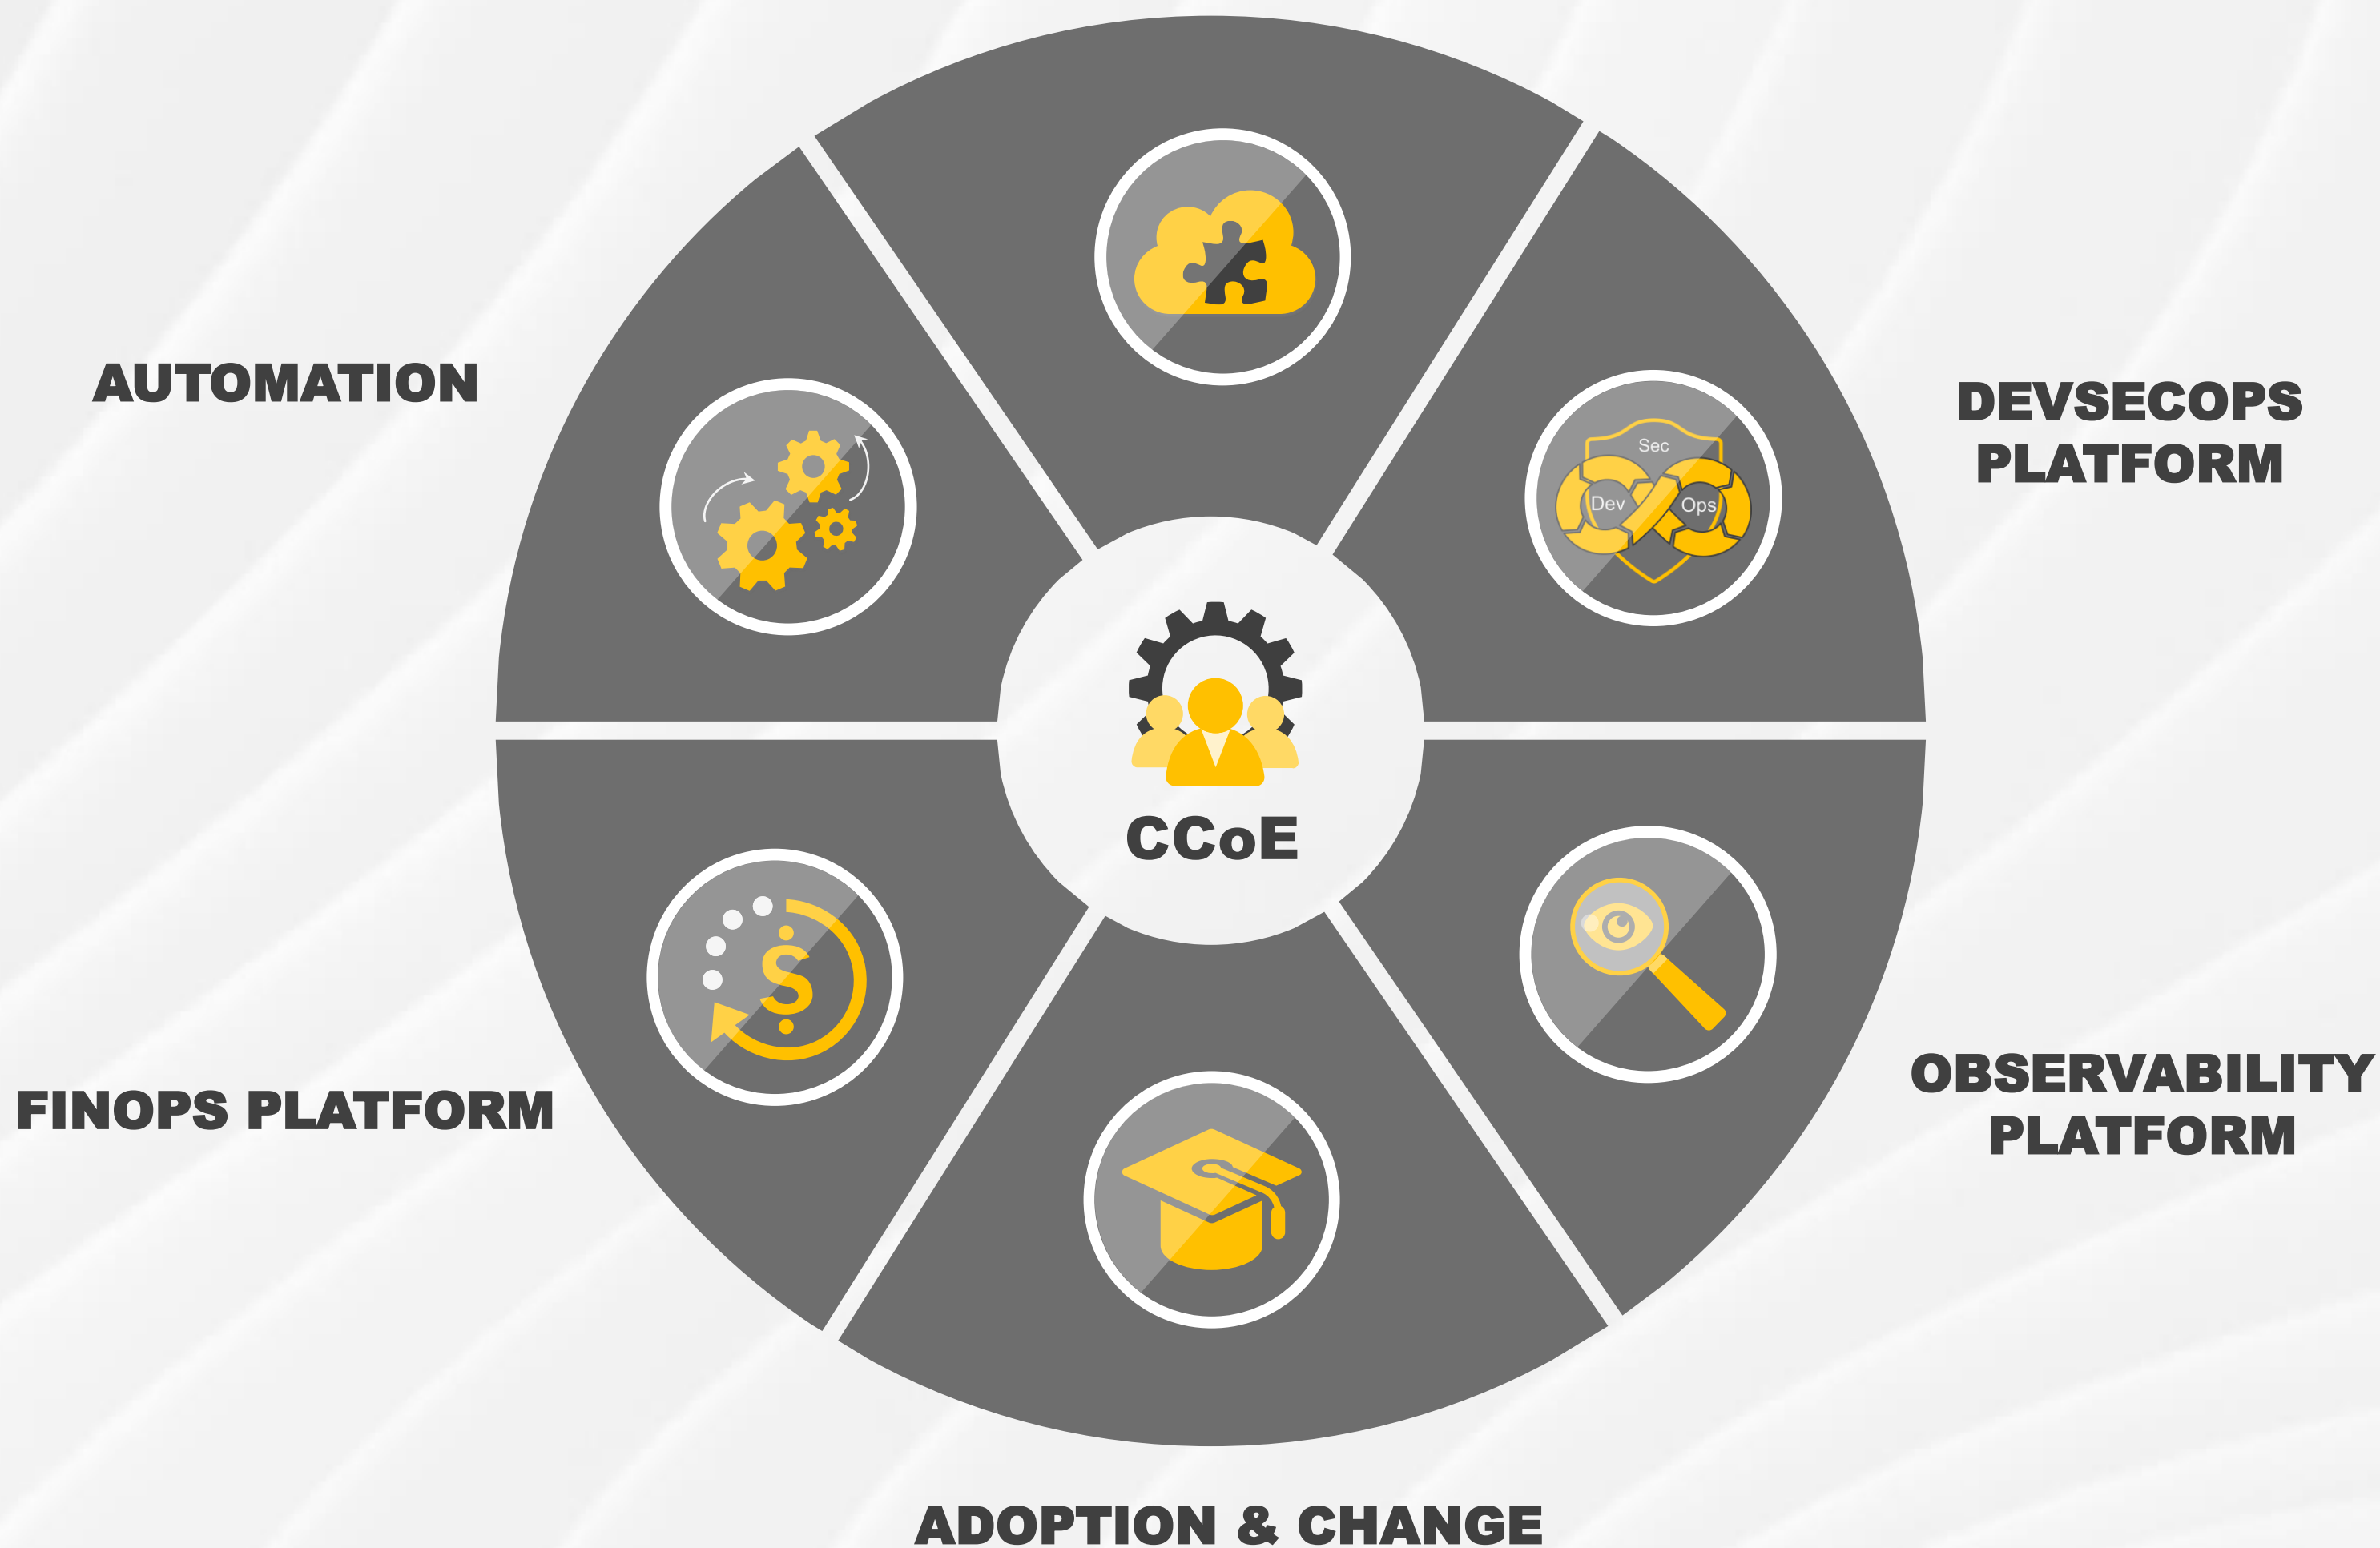

A structured approach to Cloud Adoption

# ENHANCED CLOUD PLATFORM

Ready your Cloud Governance

## BUILDING BLOCKS
